Market rules

- ◆ **What can be sold:** all merchandise must be at least 30 years old, collectible and out of current production. We reserve the right to remove from display any and all items not meeting this standard. Reference materials and restoration supplies are exempt. Completely new goods constructed from old materials are not acceptable.
- ◆ **Vendor's obligation:** this is a paid admission show - absolutely no departures until 3:00 p.m. *without prior permission*. Exception requests should be rare and must be obtained from management before packing. Violators will be issued one written warning. A one-year exclusion will follow any second violation.
- ◆ **Buyer's rights:** we recommend that merchandise be clearly priced and that vendors issue sales receipts.
- ◆ **Retail sales are subject to Indiana sales tax and require a valid Indiana Retail Merchants Certificate – a one-time \$25 license available online at www.in.gov/dor or from IDOR Columbus District Office at 812-376-3040 and 812-376-3049.**
- ◆ **Our liability:** management (Bruce Metzger, Inc.) and the City of Lawrenceburg assume no responsibility for losses or injuries for any reasons.

Locations & set-up times

Because we share the fairgrounds on Saturday evenings with the Lawrenceburg Speedway, set-up times vary by location. Please read carefully and make your plans accordingly.

Outdoor: 20' x 30' (minimum depth)

All outdoor dealers must wait to set-up until after Saturday night races have ended - usually by midnight.
Your space may not be available until after racing patrons have left the grounds.

Indoors: **Agner Hall (rear): 10' x 10'**
Agner Hall (front): 12' x 12' or 10' x 15'

Rear is climate controlled. Front is enclosed with large screened openings that can be shuttered.

All locations are available for set-up beginning at noon on Saturday. Building remains open with attendants on duty until races have ended. Doors are locked overnight and reopened Sunday morning at 5:00 a.m. – one hour prior to earlybird admission.

Covered: **Beer Garden: 12' x 15'**
J Barn: 8' x 20'
K Barn: 8' x 20' or 10' x 16'

Covered buildings are open-sided and may be driven into for unloading. Only some locations offer dealer parking behind the booth. Please ask for details.

K Barn and J Barn dealers may set-up any time after noon Saturday. Security is not provided nor implied, though Fairground's entrance gates are locked after Saturday night races have ended. Overnight camping is allowed in the vicinity.

Beer Garden spaces not available for set-up until after races.
